

Centro de Recursos Especializados para Alfareros

Here, earth, fire, and memory come together. CREA is a digital space designed to accompany potters on their journey toward lead-free pottery.

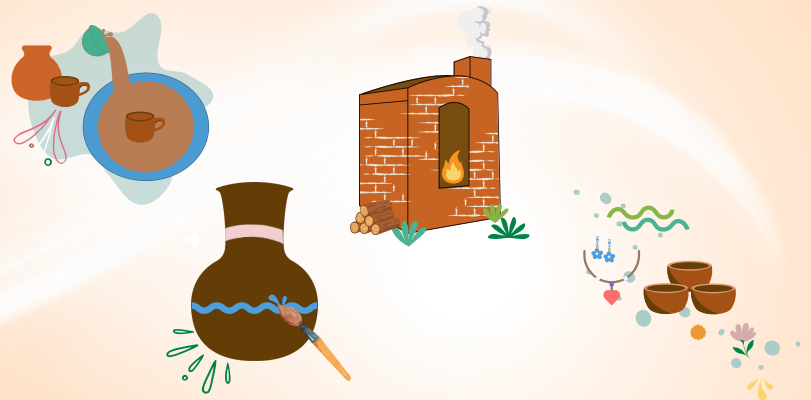

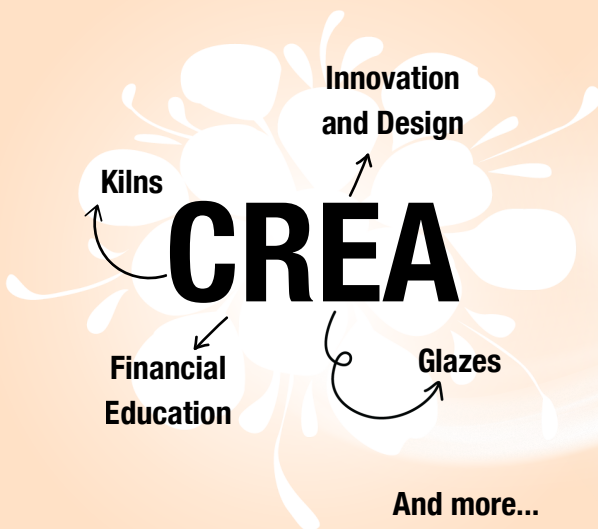

Creating is caring

What will you find at CREA?

Sections of Programs, Health, Glazes, Kilns, Innovation and Design, Financial Education... and more.

How to access CREA?

1. Open the CREA website.
www.pureearth.org
2. Choose a section based on what you want to learn.
3. Watch the videos and guides at your own pace.
4. Practice in your workshop and share what you learn.

This space is yours. To learn at your own pace. To strengthen your workshop. To care for your family and your community.
